The School Day

Doors open at **08:40am**

School begins at **8.50am** and finishes at **3.20pm**

Punctuality

'My child is only late by 10 minutes... that doesn't matter does it?'

It may seem like 10 minutes isn't really that much, but for the typical school day of 6.5 hours, a student who is 10 minutes late every day will miss **30 hours** of school time that year. That's the same as 6 full days of learning lost!

Attendance

Penalty fines can also be issued to families who accumulate a number of unauthorised absences within a fixed period of time.

If a child misses	that equals...	which is...	and over 13 years of school that's...
1 day per fortnight (90% attendance)	19 days per year	≈ 4 weeks per year	Nearly 1½ years
1 day per week (80% attendance)	38 days per year	≈ 8 weeks per year	Over 2½ years
2 days per week (60% attendance)	76 days per year	≈ 16 weeks per year	Over 5 years
3 days per week (40% attendance)	days per year	≈ 24 weeks per year	Nearly 8 years

PE Days

Please make sure your child comes to school in the correct PE kit on the days that they have PE.
