SPAG

vicious

gracious

spacious

malicious

precious

conscious

delicious

suspicious

atrocious

ferocious

1) Learn your spellings.

2) Use the dictionary to find the definition of the word.

3) Write your own sentence for each word.

Challenge: Use a thesaurus and find synonyms for each word!

Maths

Revise your 2 and 4 times tables.

Answer the word problems below using your 2 and 4 times table knowledge. Ensure you show your working out clearly.

1. There are 12 desks in an office. Each desk has 2 blue pens and 2 black pens.

How many pens does the whole office have?

2. There are 48 children going on a school trip to a museum.

8 children are bringing their own lunch. 4 children are going to buy lunch at the museum. The rest of the children are having a school packed lunch.

How many children are having a school packed lunch?

3. Owen had a birthday party and invited 10 friends.

He wants to put two balloons in each party bag. How many balloons does he need?

4. In Year 2 there are 70 boys in two classes.

How many would there be in each year 2 class?
