

Playing and Exploring

Children investigate and experience things and 'have a go'.

I can recognise that my actions have an effect on the world, so I like to repeat them.

I can guide my own thinking and actions by talking to myself as I play.

I can make independent choices.

I can plan and think ahead about how I will play with objects.

I can bring my own interests and fascinations into early years settings.

I can respond to new experiences when they are brought to my attention.
